

AWARDS FOR EXCELLENCE | 2026

Sponsorship Packages

Position your brand at the forefront of excellence in recruitment

The **APSCo Awards for Excellence 2026** are the most prestigious accolades in the professional recruitment sector. Recognised as the benchmark for quality and innovation, these awards celebrate the very best in recruitment – from trailblazing start-ups to global powerhouses.

This is not a typical industry celebration. It's a high-level **business event** attended by the sector's most influential decision-makers: **CEOs, Founders, Managing Directors**, and senior leaders from across the UK.

Held over a **business lunch**, the event features a **world-class keynote speaker**, delivering insights that resonate with senior leadership. It's a focused, strategic gathering where finalists attend as invited guests, with limited additional ticket availability. This ensures an exclusive, high-calibre environment where meaningful connections are made.

Why Sponsor?

- **Align your brand** with excellence and innovation in recruitment.
- **Engage directly** with top-tier decision-makers.
- **Enhance visibility** among the most respected names in the industry.
- **Support the advancement** of professional standards and global best practice.

Join us in celebrating the leaders shaping the future of recruitment – and position your brand where it matters most.

The APSCo Awards for Excellence 2026 sponsorship opportunities:

We encourage interest from our trusted partners to participate in APSCo's Awards for Excellence 2026. This is a unique opportunity celebrating the very best talent in the professional recruitment market. We have designed a number of packages to suit different budgets. Sponsoring organisations have significant opportunities for event branding and high-profile marketing before, during, and after the event.
